Dear Lia

Thank you for taking part and hosting a **Girls Night In 2007** and for contributing to make this event a huge success.

Your guests donations of \$6,045.31 will stay in South Australia and will go towards work around women's cancers, including research, information, awareness and support.

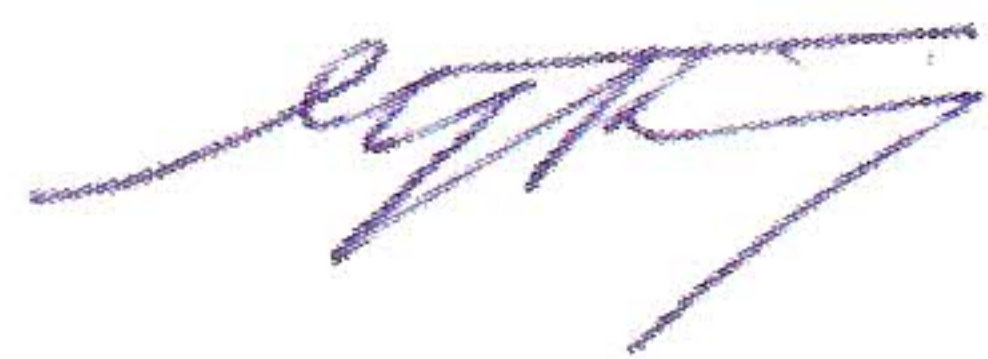

There have been a variety of events held so far, from intimate girly movie nights, lunch time coffee sessions and pink dinner parties. Others have been large public events featuring fashion parades, live auctions and dancing lessons. Whatever you did for your Girls Night In we hope you enjoyed it.

We would love to hear about your event and see your photos. Please email events@cancersa.org.au to share your Girls Night In stories.

It is because of generous people like you that The Cancer Council South Australia can make a difference to South Australians affected by cancer.

Thank you again.

Yours sincerely
