Why spend your money when you can spend ours!

We would like to reward you for helping us to help more people improve their financial wellbeing. You see the Reward Points you have earned by recommending our services to others are redeemable through our Rewards Program for a range of exciting **Gifts** and amazing **RedBalloon Experiences**.

There's no restriction on the number of gifts you can redeem and you don't have to use your Reward Points all in one go! For example, if you had 350 Reward Points you could redeem them for an iPod Shuffle [100 Pts] and a \$225 RedBalloon Voucher [225 Pts], leaving you with 25 Reward Points which, you could either redeem at a later time or build up by earning additional points through our Recommendation Program.

Track your points. Redeem your rewards.

Each month we'll keep you in the loop by sending you an email detailing the number of Reward Points that you have available. To redeem your Reward Points for one of our Gifts/Experiences simply visit www.urbantechgroup.com.au/rewards and complete our simple online Rewards Redemption Form.

Spread the word. Earn more points.

Building your points tally is as simple as recommending our services to your friends, family and work associates. Each qualified referral earns you 25 Rewards Points, and you will earn an additional 25 Reward Points if we subsequently organise finance for your referral. So just by 'spreading the word' you might find yourself the proud recipient of a brand new Plasma TV or one of many unforgettable RedBalloon Experiences! For more details on earning Reward Points please refer to our Recommendation Program brochure or call us on 08 8451 1500.
